## REASONS FOR ALLOWANCE

### *Action Background*

1. This action is responsive to the Request for Continued Examination, filed on 4/18/2006.
2. Applicant has cancelled claims 136-171. Applicant had previously withdrawn claims 1-66 and 94-135.
3. Claims 67-93 are pending in the case, claim 67 is the independent claim.
4. A request for continued examination filed under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after a final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office Action (dated 10/17/2005) has been withdrawn pursuant to 37 CFR 1.114.
5. The examiner's rejection of claims 67-93, made under 35 USC 102(b), as being anticipated by Pearson, *Excel Version 5 for Windows* is withdrawn in view of the amendment to the claims.

### *Priority*

6. As previously noted, applicant's claim for domestic priority of US provisional application 60/234,015, filed 9/20/2000, under 35 U.S.C. 119(e) is acknowledged.

***Reasons for Allowance***

7. The following is an examiner's statement of reasons for allowance:

**Regarding independent claim 67**, the prior art of record neither anticipates nor suggests to a person of ordinary skill, at the time the invention was made, the claimed method for formatting and displaying tabular data in real time by: obtaining a hierarchical structure of family data, where the family data is defined by a partition stored in a separate partition table, where the partition table comprise an attribute of the family data associated with a family ID, where the partition is layered on an existing taxonomy, and the taxonomy comprises at least two fields. The invention presents a visual representation of the family data to a user, receives a pivot value from the user, stores the pivot value, and dynamically applies the pivot value to the family data during a pivot operation, using a single interface element that generates and presents a preview table of the pivot operation on the family data.

8. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
